

# Alexander Veselyev

---

## Education

- 2020–2022 **Master**, *Moscow Institute of Physics and Technology, 1st year.*  
Bachelor of Informatics and Computer Engineering
- 2016–2020 **Bachelor**, *Moscow Institute of Physics and Technology, graduated.*  
Bachelor of Applied Mathematics and Computer Science

## Experience

### Vocational

- summer **CV engineer**, *Tinkoff.*  
2019–now Working at computer vision team, implementing neural networks algorithms
- winter **Teacher Assistant**, *MIPT.*  
2019–now Teacher assistant at machine learning course
- autumn **ML researcher**, *MIL.*  
2020–autumn Research of data optimization and active learning methods in deep learning  
2021
- autumn **Mentor**, *SkillFactory.*  
2020–summer Conducting data science classes  
2021
- autumn **Teacher**, *Deep Learning School.*  
2019–winter preparing homeworks, conducting classes  
2019
- autumn **Teacher Assistant**, *MIPT.*  
2019–winter Teacher assistant at math statistics course  
2019
- spring **Js-developer**, *Math-platform.*  
2019–summer Writing a web platform for math problems using React library  
2019

## Languages

- English Advanced  
Spanish Basic

## Computer skills

- Advanced knowledge DL frameworks (pytorch, tensorflow) DS/DL libraries (sklearn, numpy, pandas, scipy, seaborn, plotly, pllightning, etc.) Python, GIT, bash, Linux OC, Docker containers, CI/CD, SQL, C++, golang, Probability and Statistics
